

BLACK PANTHER

Portable motor pump combining the **VFT_4SP 4-stage centrifugal pump** with a powerful **Polini 2-stroke engine**. It offers an excellent power-to-weight ratio and exceptional performance in a compact design, ideal for operations where weight and load-carrying capacity are critical. The pump is easily removable thanks to a quick-release system, allowing it to be replaced or swapped for the **VFT_2SP 2-stage pump** to achieve a higher flow rate in the shortest possible time.
