# Mercury Master<sup>TM</sup> 1000

## STYLE 3446 MercuryMaster 1000

The MercuryMaster1000 is the newest innovation to the portable monitor line. This monitor is the smallest and lightest of all 1000gpm monitors in the firefighting industry. This monitor will free up valuable time at the fire scene with its quick deployment and free up precious space on the fire truck with its compact size.

- Rated flow up to 1000gpm (3800 lpm)
- Compact size & weight
- Manned or unmanned use
- Excellent ground stability
- Low friction loss
- Built-in pressure gauge
