

Big Red Truck - Glass Management Kit

"The essential tool kit for road accident rescue"

BRT1.GMK.BLK

The original and the best! The GMK was developed by Big Red Truck over 18 years ago specifically for providing all the necessary tools, covers and boards needed to protect rescue crews and patients from injuries resulting from sharps and glass at road accidents.

All items contained in the bag are arranged in such a manner that they are readily accessible and easily identified.
