

Ezy Beat Fire Beater “What a Whacker”

The Big Red Truck Ezy Beat fire beater is one of the most utilised bushfire hand tools today.

This Fire Beater is suitable during grass fires as a mean to extinguisher the fire and assist in mop up operations.

Featuring an ergonomic designed tapered handle to reduce the risk of lower back strains therefore increasing user comfort when in use.

Features:

- Hard wood ergonomically designed tapered handle
- Heavy Duty PVG belted rubber beater blade
- Length to fold - 1.54m
- Handle diameter - 35mm
- Beater blade - 600mm x 300mm

Size: Total Length 1.86m

Weight: 2kg

Directions for use:

- The Ezybeat fire beater is designed to work effective from knee height.
- Simply raise the Ezybeat above the fire area and drop onto flames.
- By doing this it prevents fatigue and injury.
