ICS Folders A4 & A5 (Level A)

BRT ICS A4 and A5 Level A folders provide a compact compendium for personal use and provides all the basic tools in one simple to read layout. Fully compatible with the larger kits on offer, components can be removed and transferred easily to higher level kits quickly without fuss.

Features:

- Open layout for easy viewing
- Internal and external clear storage pockets
- Clip ring fasteners
- Clip Board
- Multiple pen holders
- Removable "Tee" card holder
- Available in A4 and A5 formats
- Custom printing and folder colors
  (Minimum order quantities apply for custom work)

ICS Soft Bag with Double Sided Whiteboard (Level B)

For larger incidents the Level B ICS soft bags are compact and functional. Made from durable polyester nylon, for durability and easy cleaning, these bags are made to withstand all environments. Used in conjunction with the custom made heavy duty whiteboard both items are designed to be hung from a truck side gutter rail or simply a hook as required .

Features

- Heavy duty double sided Omniplate™ whiteboard.
- Multiple pockets for stowage and easy access
- Removable tee card holders
- Pen and whiteboard markers holders
- Multiple Agency Magnets included
- Custom labeling and agency coding
- Compact Size

ICS Hard Case (Level C)

A total solution in one small and tough purpose made unit, the ICS Hard Case (Level C) provides a quick solution that can be easily deployed and used within seconds.

The ICS white board is also removable for additional portability and flexibility.

Fully compatible with BRT Level 1 and 2 ICS media; clever additional features including microphone, radio, drink holders and hanging stationary boards offer practicality and convenience.

In a matter of seconds everything is in place and ready at arms length, allowing the ICS controller to concentrate about what matters when the pressure is really on.

- Additional reinforced base for stability and strength.
- 12 Volt LED Light (2 day burn time) + 2 battery pack holders.
- Removable white double sided hanging white board.
- Single fixed white board in lid
- Additional stowage pouches.
- Designed for use on multiple surfaces or mounting on tripod.
- 2 x radio holders and mike clips
- Can be configured for left or right handed users.
- Custom labeling available *
- Agency Colour coded

- Folding drink and coffee cup holder
- Storage pouches are easily removed for cleaning.
- External document pocket on lid
- Built in tripod mount on base
- Raised rubber feet for stability on multiple surfaces
- Clipboard and Stationary holder
- Multiple Agency magnets included
- Compatible with ICS Levels 1 & 2
- Optional custom tripod
- Optional PVC Tripod Carry bag

* Illustrated with ICS custom tripod and Heavy Duty carry bag

* Quantity limits may apply for some custom labeling

ICS Wall Banners (Level D)

The BRT ICS level D5 and D8 banners are visually enhanced and laid out allowing the incident coordinator to position and arrange up to 160 T cards. (D8)

A whiteboard marker friendly panel can be used above each sector by the user to if named sectors are preferred method of identification.

When whiteboard markers are used on this type of fabric, markers can affect and permanently

damage the vinyl surface. The ICS level D banners are specially treated during the manufacturing process with a dual lamination process to ensure that the material are compatible for use with whiteboard and china graph pencils.

(Whiteboard markers do vary by manufacturer, it is recommend that the user test suitability prior to use).

Each banner is supplied with eyelets and cord for tying off and also feature folded sleeves along the top and bottom edges that allow a stiffener rods to be inserted. This rod stabilises the banner and allows easier use when hung overhead.

The D5 banner has a capacity of 100 T cards while D8 model can take up to 160 T cards.

All ICS banners are supplied standard with a durable storage container, tie cords and fibreglass stiffening rods to cater for multiple hanging options.

Custom artwork with company or government agency logos is also available.

Model D5
100 T Card Capacity
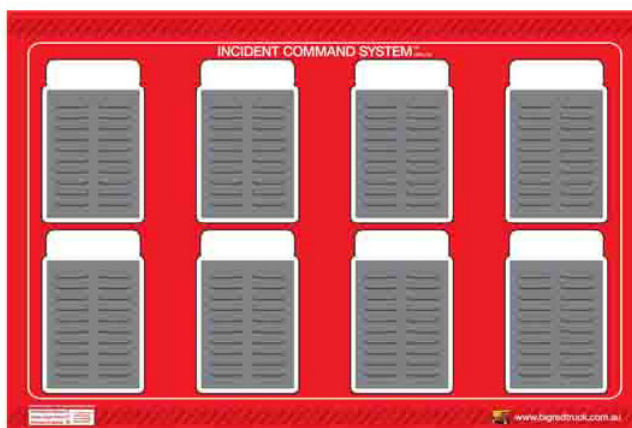

Model D8
160 T Card Capacity

ICS Roll up Banners (Level D)

ICS banners are a new and innovative concept developed by BRT suitable for command posts or event management applications.

Compact, stable, quick to set up , and easy to use, our banners are available in single or dual roll banner cassette configuration.
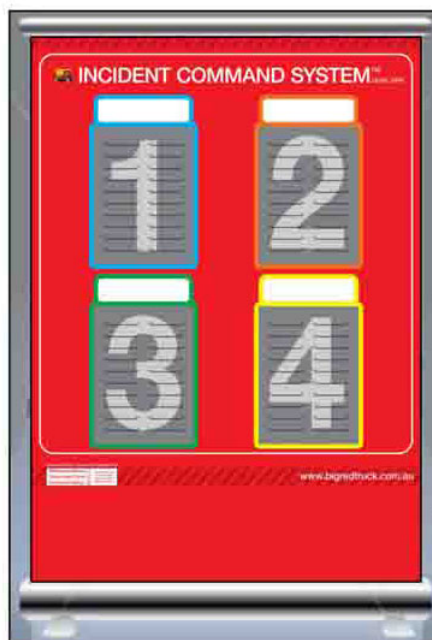

The banners can be easily changed from the cassette without the need for tools. There are single or dual cassette models.

The standard banner system is supplied complete with all the necessary hardware and a soft fabric storage case.

A hard polypropylene case is also available upon request.

Easy banner change
