Why our boards are better

- 5 year pro rata warranty
- All boards are tested by Australian Certified electricians
- Our entire board has been tested to IP66 not just the outlets
- Fitted with the DUO Earth Safety Device – the next generation in RCD DUO Earth Leakage protection - for use on IT, TT & MEN systems
- Windows are pad lockable
- Plug and go design – no hardwiring required
- Boards are made from UV resistant high impact polyethylene

"Quality and Innovative Fire and Rescue Equipment"
