

Forestry and Parks Vehicle Lighting

New Micro-Mini Bar Magnetic **Amber** **Green**

Micro-Mini Bar Magnetic **Amber** / **Green**

Green and Amber combinations are ideal for forestry and park vehicle applications, due to superior visibility of green LEDs ability to penetrate smoke and fog.

The Micro-Bar is the lowest profile 'Mini-bar' on the market today. The compact size allows easy storage in all vehicles. The Micro-Bar provides 360° output and exceeds SAE Class 1 standards. This Micro-bar is ideal for trucks, utility and construction vehicles, police and also motorcycles.

**The Micro-bar is available with a permanent base, or magnetic base for fast deployment.*

Part Number:- PSEBMICROGADV

Design Features

- 23 Built-in selectable flash patterns
- 30 x 1W High Intensity LEDs
- LEDs rated to 100,000 hours of operation
- Low power function for night time use
- Available in permanent or magnetic base
- Dust, water and vibration resistant
- Reverse polarity protection
- Multiple units can be synchronised

Specifications

- Multi-voltage 12-24V
- Current Draw @ 12V; Avg 2.1A Max 4.2A
- Width - 248mm
- Height - 37mm
- Depth - 172mm
