

NIGHTSTICK®

Life Depends on Light™

Safety Light / Flashlight

Each Safety Light combines a full-size flashlight and a floodlight/flushing safety light in a compact, light-weight package. Two body mounted switches control the lighting functions. The top button powers the tight-beam, long-throw 150 lumens flashlight in either momentary or constant-on mode. The bottom button controls the safety light array with options for constant-on or flashing/alternating (depending on model) operation. Power comes from 4 – AA batteries (included).

150 Flashlight Lumens

120 Safety Light Lumens

- Constant-on or flashing safety light
- Long-throw flashlight beam
- Long run-times
- Powered by 4 AA batteries (included)

Momentary/Constant Flashlight

Dual-Color Constant

Dual-Color Alternating

*Limited Lifetime Warranty • Product is warranted to be free from defects in workmanship and materials for the original purchaser's lifetime. The Limited Lifetime Warranty includes the LEDs, housing and lenses. Rechargeable batteries, chargers, switches, electronics and included accessories are warranted for a period of two (2) years with proof of purchase. Disposable, non-rechargeable batteries are excluded from this warranty. Normal wear and failures which are caused by accidents, misuse, abuse, faulty installation and lightning damage are also excluded.
