

4100 3/4" Forestry Hose Winder

The Hose Winder is a simple and effective device developed to recover 50' lengths of hose from the fire scene, stripping off mud, squeezing out water and forming the hose quickly into a neat compact roll, making hose delivery and round up a time-saving and efficient process. The 4100 is manufactured from glass-reinforced nylon and stainless steel.

4040A - Orange

4040 & 4040A Water Thief

The Water Thief is a 1-1/2" x 1-1/2" x 3/4" Tee connector, for connection at intervals in a 1-1/2" fire line. The 3/4" outlet allows a 3/4" forestry hose line to be connected for mop-up operations during forest fire. 4040A is NHT.

4040SO Water Thief with Shut-Off

4050 & 4050A 3-Way Valve

The 3 Way Valve is a durable, light weight unit with 3 x 1-1/2" NPSH male threaded ports which can be adapted to either forestry quick connect couplings or 1-1/2" threaded adapters.

Tested to 1100psi - rated at 300psi safe working pressure. 4050A is NHT.

4050A - Orange

4055A - Orange

4055 3-Way Connector

The 3-Way Connector is a light weight water distribution device with three 1-1/2" NPSH male threaded ports which can be adapted to either forestry quick connect couplings or 1-1/2" threaded adapters. Tested to 1100psi; rated at 300psi safe working pressure. 4055A is NHT.

4082 & 4083

Reducers

4082

1-1/2" NHT male to 1" NHT female.

4082AC

1-1/2" NHT male to 1" NPSH female

4083

1-1/2" NPSH male to 1" NPSH female.

4080

Pistol Grip Bale Shut-Off

The 4080 Pistol Grip Shut-Off now comes with finger grooved hand grips for better comfort. It is a lightweight quarter-turn bale valve. The unit connects to 1-1/2" fire hose, or with a 4082/4083 reducer, a 1" hose line. The unit is available with NPSH, NHT(A) or BSP(B) threads. Manufactured from tough, corrosion-free, glass-reinforced polymer.

4080GRPSBLK, BLU, ORG or YEL

The Handle Grips for the 4080 Pistol Grip Bale Shut-Off are available in Kit form for retrofit for 4080s already in service. Includes a right and left side and stainless steel fasteners. Available in Black, Blue, Orange, or Yellow.

4081

D-Handle Shut-Off

As the 4080 above, but without the pistol grip. Available with NPSH, NHT(A) or BSP (B) threads

4085 & 4086

1-1/2" Double Female

Connectors

4085

1-1/2" NPSH female to 1-1/2" NPSH female.

4086

1-1/2" NHT female to 1-1/2" NHT female.

4084

1-1/2" Thread Changer

Male NHT to Female NPSH

4084 AC

1-1/2" Thread Changer

Male NPSH to Female NHT

4051 & 4051A

1-1/2" Connecting Tee

4051

3 x 1-1/2" NPSH Threads

4051A

3 x 1-1/2" NHT Threads (orange body)
