

## Vallfirest Goggles

The new Vallfirest goggles for personal fire protection have a smaller frame for better fixing to the VF1 and VF2 Bush Fire Helmets. Featuring lower and upper ventilation with open pore foam that traps all kinds of dust. VF Goggles have a unique rapid fitting system and double lens with anti-fog treatment.

### Features:

- Soft foam band closely adhesive to your face to protect you from coarse powder and molten metals.
- Anti-allergenic foam band.
- Double polycarbonate lens with anti-fog treatment inside and anti-scratch coating outside.
- Elastic band with rapid lateral unlocking mechanisms.
- All the materials of the VF Goggles are fire retardant (elastic band, frame, lens, etc.).
- Lens of double ballistic protection.
