

SCBA Staging Area Mat

The ideal high visibility staging area mat to organise full and empty SCBA air cylinders.

Product Features

- Material: Heavy Duty 600D PVC
- Folds in half then rolls up into a small compact size
- Rear hook & loop material strips to connect to the Rescue Tools Mat
- High visibility reflective corners and mid section make the mat easy to see at night
- Brass Eyelets in all corners and mid sections to allow the mat to be pegged down if required
- Unbreakable and fully flexible ribbing to prevent cylinder roll

Dimensions

Size: 1820mm x 940mm

- * Also available is the Add On Yellow Rescue Tools Mat with all the same size and material features as the SCBA Staging Area Mat.
- * Multiple SCBA Staging Area Mats can be easily linked.
